

Project: Travel to the North Carolina Coast

You are going on vacation! It's time to plan a vacation to the North Carolina coast, where you will have some fun and learn about the natural environment.

The final product is a google doc with 1) a detailed itinerary and 2) a single slide collage* of pictures that shows the highlights from your trip.

*Maps and pictures are to be merged into ONE slide that shows key points of your week-long coastal trip.

Your itinerary with merged slide will be submitted to Canvas by the assigned deadline.

Requirements:

- The vacation must be six nights/seven days, including travel from Cary and back
- Lodging needs to be outlined with cost included
- Each day must be planned from a minimum of 9 AM to 6 PM, with each hour being accounted for in detail
- A minimum of two meals must be planned each day, including a specific food order, with a **different restaurant** for each meal (exceptions for some boat trips that last all day, but you still must plan the meals). If you are buying groceries to make meals- outline the food purchased and the prices.
- A minimum of two **different activities** each day, with at least one of those activities being "naturalist". Examples of naturalist activities include visiting an aquarium or state park, deep-sea fishing, scuba diving, kayaking, etc.,
- Every meal and activity must have an accurate cost (in dollars); include an overall cost of your trip
- Accurate distances (in miles) must be given when moving between cities; do not include gas \$

****NOTE: ALL activities and meals need to be school appropriate.****

The Grading
